The Rizzo family has a long history in Chicago dating back to 1946 at a time when Wrigleyville was unrecognizable from what we all know and love today. Our family has worked from the ground up to open Rizzo's Bar & Inn. The restaurant pays homage to the history of Wrigleyville through the eyes of the family. We invite you to follow our journey through featured photographic memoirs, classic ballpark fare and Rizzo family recipes, as well as an old-fashioned standard of service that will stand apart as a neighborhood institution.
