

Private Events, Small Gatherings & Other Parties

Lincoln Station provides comfortable relaxed facilities for your corporate or personal event ranging from 10 to 250 people. We offer a lot of options for several different types of events as well. From meeting space, small get together, private room or rent the entire location out.

The private room comes complete with pool tables (optional), big-screen television, mixed seating options and can accommodate 50 to 125 people. Our private room also has its own sound system separate from the front room, a big screen projector that can easily be hook up to a computer via HDMI with sound and a wireless microphone is available.

Don't have 50 people to party with? No sweat! We can also accommodate smaller groups by sectioning off different areas and reserving tables for all groups under the minimum.

Most importantly, our friendly management and staff will make your event a success.
