## Moveable Feast & Co.

Planning events can be complicated, that's why Company 251 is dedicated to being your comprehensive venue and catering experience. Our parent company, Moveable Feast & Co., provides you with an artisanal food and drink program to match our luxurious space. Our onsite kitchen, helmed by acclaimed Executive chef, Chris Ayukawa, creates seasonal menus based on food sourced from local farms, harvested and prepared moments before service. Our single point of contact for these two big parts of your day will make planning simple and your vision complete.

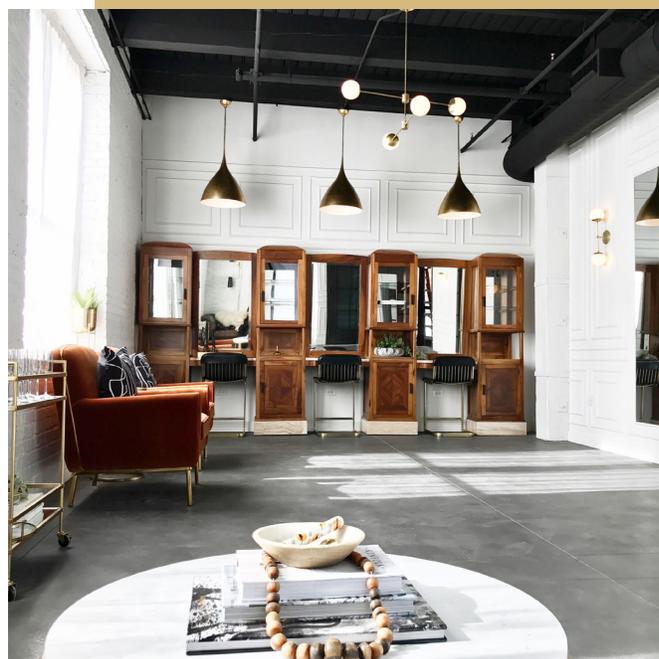

### *A Perfect Menu*

The Moveable Feast & Co. mission is to help our community celebrate life through thoughtful, wholesome, hand-made foods and the joy of entertaining. We'll work with you to create the perfect dining experience. We customize every menu to make sure it suits you and your special day, whether it's a personalized signature cocktail or a tower of deeply fudgy brownies made famous by Oprah's favorite things!
