CLIENT TESTIMONIALS

"Loved working with the great staff at 1st Ward Events. They were super professional and accommodating to everything I needed to have a successful event. I look forward to working with them again in the very near future."

- Won Kim, Creator of Brew Hahaha

"Every person we worked with from Leah, to the bar backs, to the Chop Shop staff was friendly, helpful and wanted to make sure our event succeeded. They have assembled an amazing staff and Leah was helpful through every part of the process, from answering our questions prior to the event, to making sure we had everything we needed during set up, giving us high fives during the event, and helping us during tear down. Our event was the most successful we have ever had by far. Everyone loved the space, the technology, and the sound system!"

- Molly Klein Catalano, Co-Chair, Evening of Dreams and Member of the Board, Friends of Mitchell

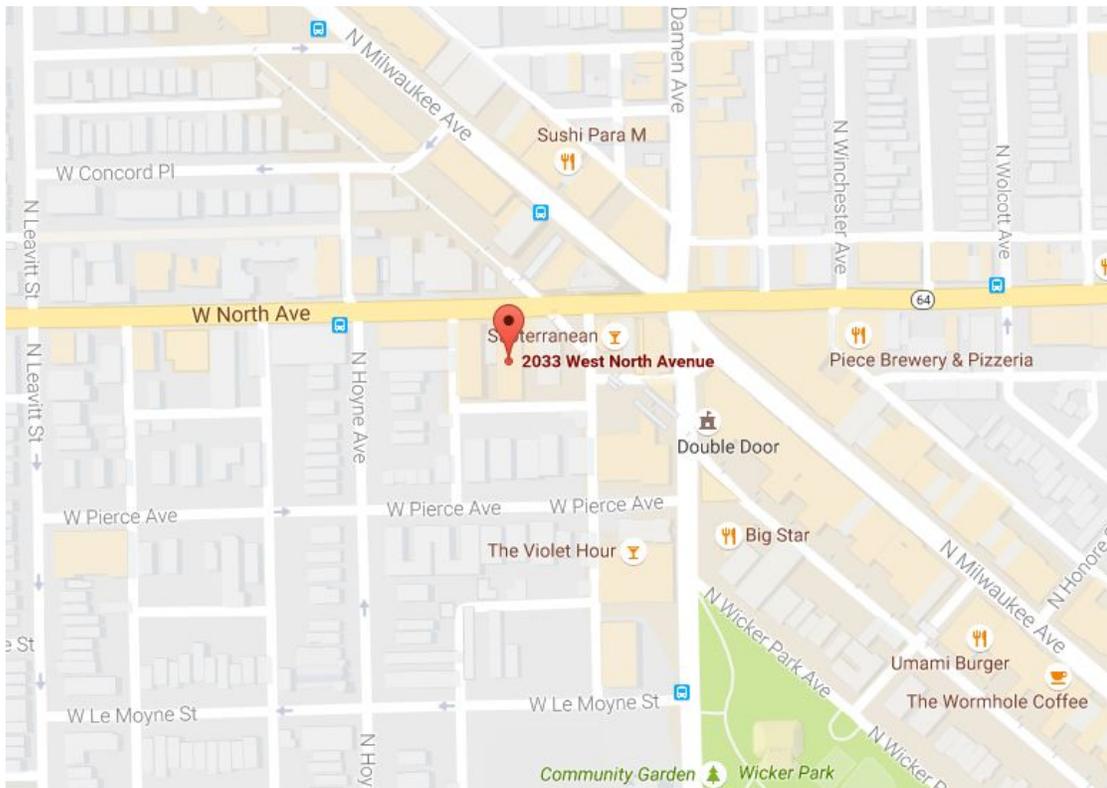

"Getting married in Chicago? Look no further than Chop Shop. They offer everything you need and more to have the best wedding reception ever. From the rooftop patio cocktail hour, to the amazing late night sliders and fries, this place checks all the boxes. Looking for a place with staff that are more excited about celebrating your big day than you are? Check. We'd do it all over again every single weekend if we could. We can't thank Sarah and Leah and all the team at Chop Shop for making our wedding day the best day ever." ([Read more on Yelp](#))

- Kevin Ratz, Happy Groom

"I cannot say enough about what a positive experience I had with 1st Ward Events at Chop Shop, and this is really coming from the heart! From the upscale deli transitioning into a black leather rock bar to a multifaceted party space - it worked perfectly for our 'Rock God' Halloween Party. Leah was absolutely more than accommodating and really had my back. Her enthusiasm kept me energized! The whole team over there made me look great to my guests. I will definitely be holding more events there in the future."
